ALMA MATER

There's a feeling good and true,
And it's from our hearts to you.
Hail the gold and hail the white;
Keep our colors always bright.
And no matter where we roam,
We will always call you home.
It's the place we love the best,
Dear old A. H. H. S.

*Humbly, we dedicate this volume to Old Glory
and to our own Alma Mater*

YOUNG AMERICA

The classrooms of Arlington Heights High School are where boys and girls not only learn the basic fundamentals, but also good sportsmanship and the ability to get along with others.

WITH EDUCATION

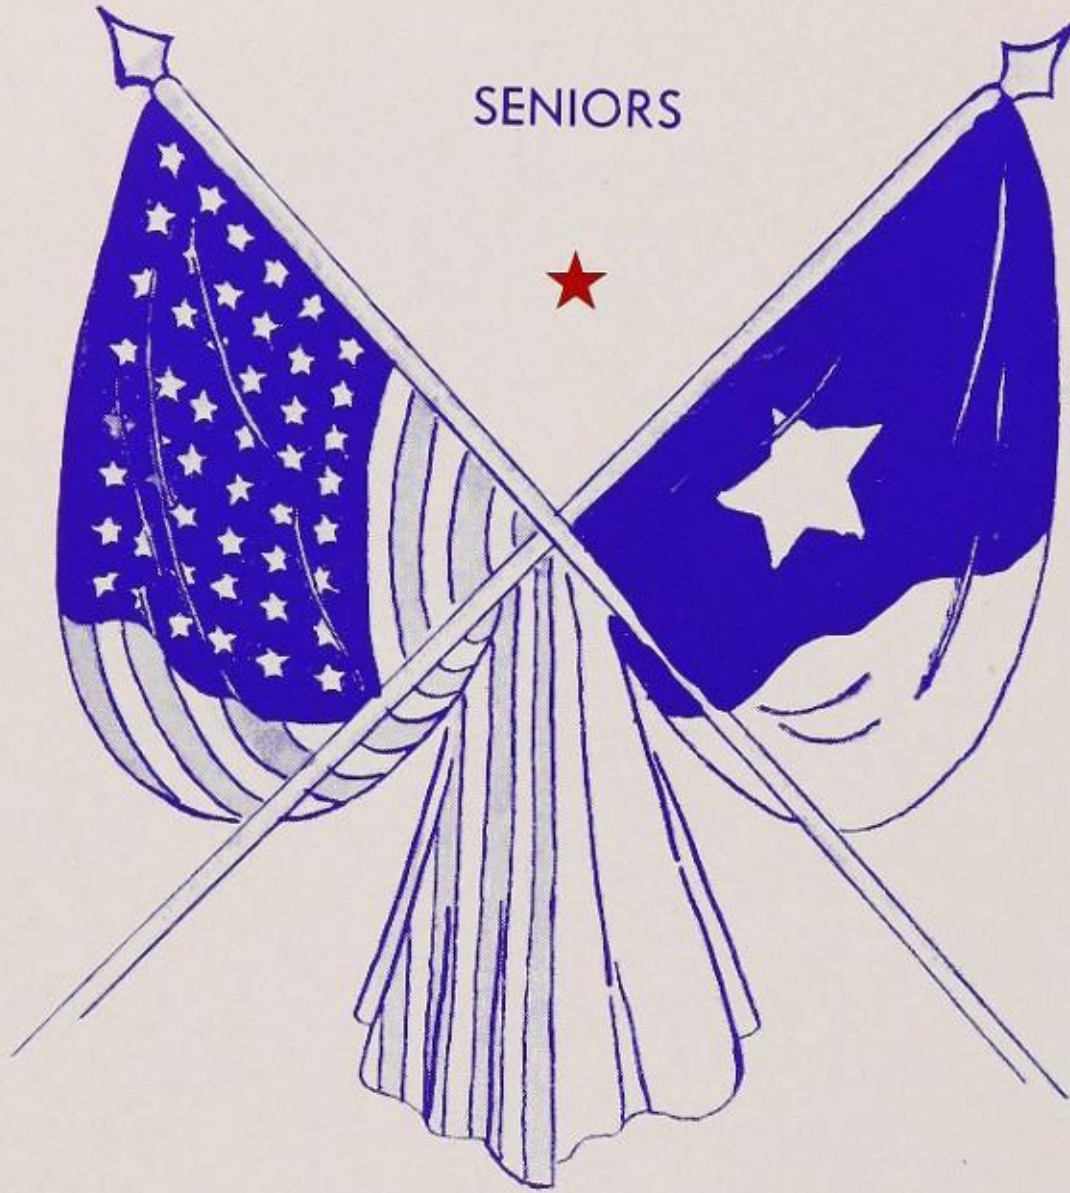

LOOKS TO THE FUTURE

We, as young Americans, trust and pray that the light of our knowledge will ever increase to illuminate the path for future generations to follow.

AS A FOUNDATION

SENIORS

SENIORS

High school days are over for this group of boys and girls. When they go on to college or out into the business world they will take the memory of the happy four years spent in the spacious halls of their alma mater.

★ ★ ★ ATHLETICS

Our nation needs strong, healthy citizens . . . our athletic system strives to develop this type of person emotionally and physically.

TRIBUTE

Here's a toast to Mack Flenniken and Johnny Stovall—a tribute to the two men who have, through hard work and cooperation, put Arlington Heights High School's teams and sportsmen on top in athletic fields. These men not only teach the boys how to play well in every game and type of sport, but teach them something that will last an entire life time—the art of good sportsmanship.

This page is dedicated to Mack and Johnny, who are liked, admired and respected by the students, both boys and girls, of Arlington Heights High School.

CITY CHAMPIONS

For the first time in the history of the school the football team has won a championship and a trophy.

After a brilliant season in which the Yellow Jackets won five conference games and lost one, they were awarded the Haltom Jeweler's City Championship Trophy.

This accomplishment could not have been done without the cooperation and good sportsmanship on the part of every one of the hard working eleven and other squad members.

1940 FOOTBALL REVIEW

Opening the 1940 season, the Arlington Heights Yellow Jackets defeated the Breckenridge Buckaroos by the score of 12-7 on the latter's field. Charlie Dewees and Billy Hearne were outstanding for the Stingers.

The following week the first conference game was played in Farrington Field as the Jackets trampled Technical's Bulldogs to the tune of 25-0. A 54-yard gallop through the entire Tech team by Harold Phillips was the most outstanding play of the game.

The West Side lads stayed atop the district standings with a 20-7 win over the Polytechnic Parrots Oct. 3. Although they won by two touchdowns, this was the Heights' hardest win of the season.

Journeying to Tyler, the Jackets lost their first game of the season to the Tyler Lions, 19-0.

Injuries to Jess Ballew and Joe Dines was given part credit for the loss.

Returning home, the Jackets, for the first time in the school's history, won over the North Side Steers, 12-7.

A 70-yard run by Herrell Oliver and an accurate conversion by Don Frye gave the Jackets a 7-6 win over the Gainesville Leopards in the last road game of the season.

Breaking a scoreless tie with a 75-yard gallop by Charlie Dewees, the Jackets went on to win 18-0 over the Riverside Eagles.

Dewees, Lawrence Payne, Richard Rogers, Arthur Renaud and Paul Vinsant played superb games.

Front row: Uberman, McMahon, Dixon, A. Renaud, Robbins, Florance, Phillips, Jacques and Scaling. Second row: Revercomb, Allen, Oliver, Co-captain Dewees, Vinsant, Ballew, Feller, Fulkerson, Ward and C. Renaud. Back row: Hearne, Frye, Griffin, Cook, Co-captain Payne, Colvin, Griffith, Shackleford, Rogers and Dines.

★ ★ ★ FOOTBALL 1940

Starting line-up at the beginning of the season: First row: Joe Dines, Lawrence Payne, Arthur Renaud, Don Frye, Charles Ward, Billy Hearne, Richard Rogers. Back row: Wilfred Revercomb, Jess Ballew, Herrell Oliver, Charles Dewees.

Following a two week's rest Coach Mack Flenniken and Johnny Stovall's boys were knocked from the district lead for the first time in the current season with a 7-0 loss to the mighty Orange and White of Masonic Home.

The breaks seemed against the gold and white shirted lads, since every-time they "got started," they would either fumble the ball or the Masons would intercept a pass to stop the Jackets. In fact, the Masons kept the luckless Jackets so bottled up that they didn't get past the former's 35-yard line.

In the final game of the season the Stingers won the City Championship by taking a 20-0 victory over the Paschal Panthers on a rain-soaked and muddy field.

This was the last game for fifteen of seventeen lettermen, the back-field changed places with the linemen and a grand time was had by all.

SEASON REVIEW

Scoring two field goals in the closing seconds, the North Side Steers edged out the Yellow Jackets in the opening game of the season on the home court by a score of 21 to 18.

Technical played host to the Stingers and won a close game, 16 to 14. 27 to 17 was the score between Poly's defending champions and Arlington Heights on the Jacket court.

Journeying from across the river, Amon G. Carter Riverside left a 44 to 13 plastering that proved to be the Jacket's worst defeat of the season.

On Paschal's immense hardwood floor, A. H. H. S. was the low scorer again. This time the Panthers scored 20 points to the Jackets' 15.

Starting the second round of the current round-robin, the Jackets were nosed out by North Side, 30 to 29.

Arlington Heights finally broke into the win column by trouncing the Tech Bulldogs, 30 to 19.

Invading the Eagle gym, the Jackets were welcomed with a 31 to 16 lacing.

Then came Paschal, this time on our own court. Arlington Heights won their second game by the score of 25 to 20.

As a result of the luck of the draw, the Jackets drew the highly-touted Carter Eagles for the first game of the city tournament. Carter won 30 to 20.

The 1941 track team, coached by Johnny Stovall, was one of the best ever to represent Arlington Heights.

Led by Don Frye, the tracksters finished, for the second straight year, in second place in the city.

New records were set in the 220-yard

dash by Don Frye and in the 200-yard low hurdles by Herrell Oliver.

The Jackets placed first and third in the 100 and 220-yard dashes, first and second in the 120-yard high hurdles, first, second and fourth in the 200-yard low hurdles, first in the mile relay, third in the sprint relay and second and third in the discus.

★ ★ ★ BASEBALL—SOFTBALL

Baseball squad, 1941 defending city champions, coached by Mack Flenniken.

At the time of publication, the Jackets were continuing where they left off last year, having won over Amon Carter, Riverside and Paschal to tie for the district lead.

For the first time in the history of Fort Worth high schools, softball is being played and rated as a major sport.

This is the first Jacket softball team. The coach is Johnny Stovall. A double round-robin schedule was adopted for this first year of competition.

ORGANIZATIONS

Out of class the student is given the opportunity to express himself and engage in chosen activities through the medium of clubs, honorary societies, musical organizations and publications work. For most this is a very enjoyable and interesting part of school life.

YELLOW JACKET ★ ★ ★

For the first time in the history of the Yellow Jacket the yearbook has a padded cover. The theme "Education for the Common Defense," is one which is foremost in the minds of the youth of today. Larger and more colorful than ever before, the Yellow Jacket presents a panorama of modern school life in the Arlington Heights manner.

★ ★ ★ JACKET JOURNAL

Beginning the year with a new sponsor and a staff of thirteen, the Jacket Journal debunked superstition by winning All-Texas honors at the Texas High School Press Association convention at Denton in December. Seventeen delegates attended the convention. The Award of Honor was bestowed on the paper by the Interscholastic League Press Conference at Austin.

To meet the demands of modern journalism, the Jacket Journal adopted a policy of "streamlining." Sans serif type was substituted for the old, column rules were dropped and the general makeup of the paper was changed.

WHY TAKE YOUR BUSINESS COURSE NOW?

There are many good reasons why the high school graduate should take a business course immediately after receiving his diploma. Here are some of them:

(1) If you are trained for business employment and then wish to go to college, you can use your education both to help you with your studies and to pay your expenses in case you need to be self-supporting.

(2) If you do not finish your four year course in college, you have something to fall back on for self-support.

(3) If you finish your university course and cannot find employment in the profession for which you have qualified, you can take a business job.

(4) If you follow the profession for which you prepare in college, a knowledge of business will help you make it practical. You will notice that the best lawyers, the best doctors, the best engineers, etc., are all good business men and women.

(5) If you do not desire to go to college, you will be able to secure a position and begin your business career as soon as you complete your commercial course.

A great many educators are saying, "FIRST finish high school, NEXT take a business course in a business school, and THEN go to college or go to work.

Will Have a Fair Chance at SUBSTANTIAL SUCCESS

Forward-Looking Young Person Want?

WHERE IS OPPORTUNITY?

In many places there is no opportunity—and for many people there is no opportunity. Opportunity travels on a high level—and opportunity, like a fast train, seldom stops where there is no chance to do business.

It is certainly true that the greatest opportunities today are in the field of business—and also that opportunity means most to those who are prepared to render superior service in this field.

If we are to take earnings as a basis for measuring success, business ranks head and shoulders above all other vocations. Making money is not the whole measure of success, but it is **one of the very essential factors.**

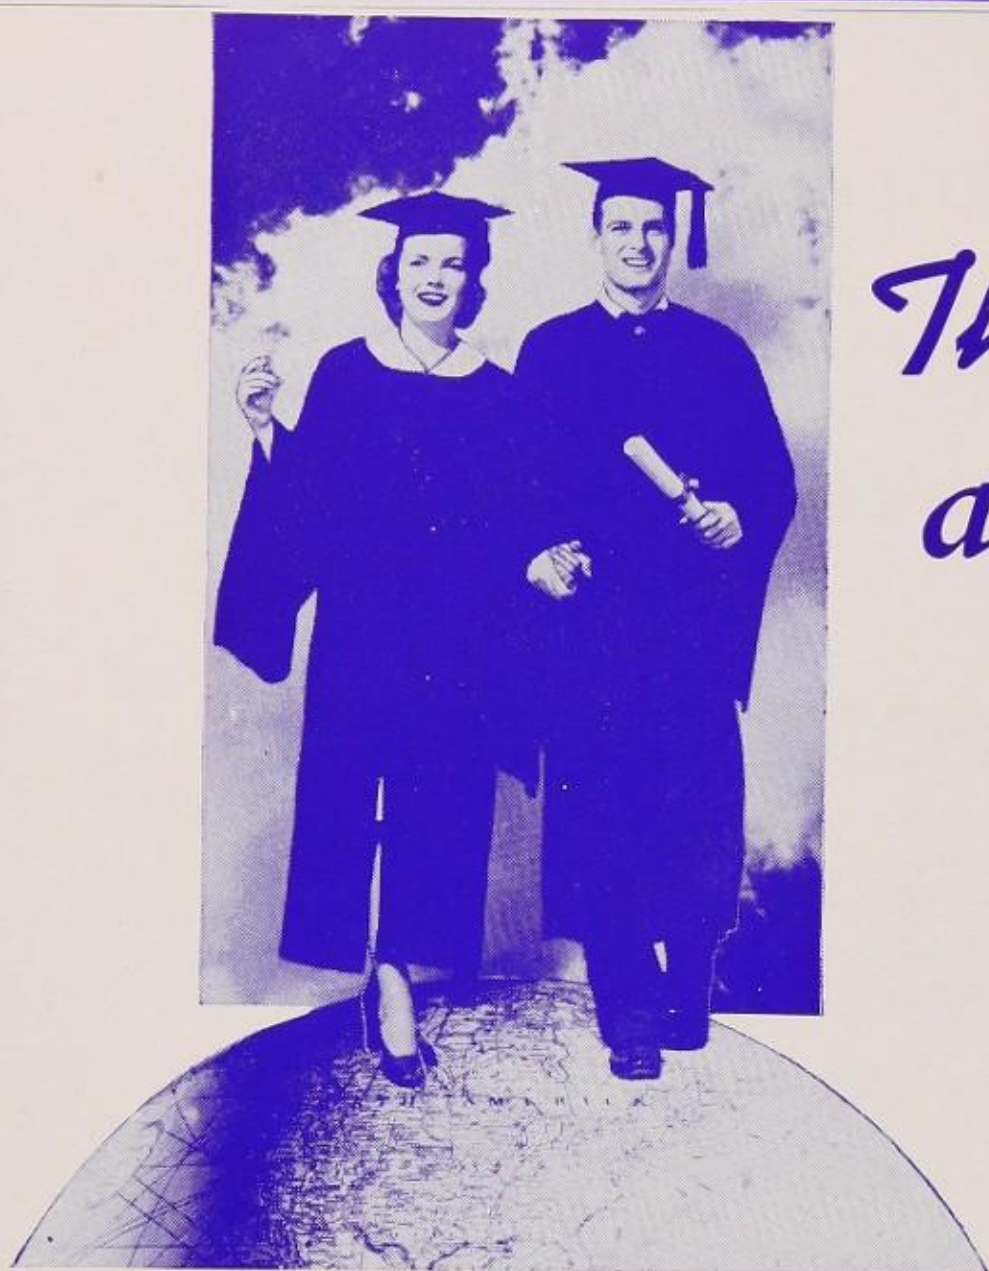

You are looking ahead and thinking ahead. You now have your basic education, and you're anxious to know where your chance for achievement lies. If you will look about you, you will conclude that there are a thousand business men needed for every doctor, every clergyman, every architect in the community. In other words, there are a thousand calls for trained young people in business to one for those trained for a given profession.

Business training will prepare you to make a living—that is the first step toward useful citizenship. It has been said that the kind of life one lives is determined by the way one makes one's living. If this be true—and it is—it is important to be able to make enough money to live well!

The WORLD at your feet

YOU who graduate today are our citizens and leaders of tomorrow. The tumultuous world into which you now step challenges each of us to make it a better place in which to live — a place where freedom and justice shall prevail. Let the knowledge and *principles of right* learned in school aid you in building a solid foundation for good citizenship *as we want it in America*. Let those qualities of character so essential to self-support and self-respect — integrity, good judgment and thriftiness— help you in conquering the world at your feet.

Dearest Doris,
I don't know whether you
like it or not, you never have
said much about it, but I still
call you "Shorty". I am glad that nickname
fits you. HA! I think that graduation will
not break up our beautiful (?) friendship. I have
certainly enjoyed the Triple xxx's we have gulped.
Wish to your health & happiness that I know
you will always enjoy, for you are a sweet,
good-natured kid, I think you are "swell", "Shorty".
Lots of love & luck,
